## **WTHR'S ANGELA BUCHMAN TO EMCEE INDIANAPOLIS SUSTAINABILITY AWARDS**

INDIANAPOLIS - Angela Buchman, Meteorologist for WTHR-TV's SkyTrak 13 Weather Team, will serve as master of ceremonies at the 2014 Indianapolis Sustainability Awards.

Set for Wednesday, April 30 at the JW Marriott in Downtown Indianapolis, the Sustainability Awards inspire innovation, showcase impact, reward leadership and promote education around the principles of sustainability. Three awards will be given to honor excellence in each of the following categories: Social, Economic, and Environmental.

Buchman, a five time Emmy winner, has a passion for weather, and her forecasts keep Central Indiana residents safe and informed about Indiana's ever changing weather conditions. Angela is a 1990 graduate of Hamilton Southeastern High School and an alumnus of Purdue University. Since graduating Purdue with a degree in Atmospheric Science, Angela has worked at television stations in Lafayette, Sacramento, CA and Indianapolis. She joined WTHR-TV in September 2013.

Nearly 50 different Indianapolis businesses, organizations and individuals applied for the 2014 Sustainability Awards. Finalists will be announced March 26, 2014.

### **About the Office of Sustainability**

The Indianapolis Office of Sustainability was created by Mayor Greg Ballard to be the driving force behind SustainIndy. The Office provides a structure for implementation and policy recommendations for SustainIndy.

The main charges of the Office of Sustainability are to lead sustainability efforts within City government; coordinate and collaborate on community sustainability goals; and establish public-private partnership opportunities to move forward aggressively on achieving the vision of a more sustainable Indianapolis.
